Hey Barb, this is Traci. I am helping one family and we need help on the back end, the return, if possible. The other student lives near Nolan highschool. Call me at 817 874 0354 so we can work out the details. If we can make it work this would be a blessing!!!

I have two kids attending FWFA for the first time this year. We live at Green Oaks and Arkansas in West Arlington. Carpooling would be a big help. Dan jd-bruce@sbcglobal.net 817-453-4073

My teenage driver who is taking her sister to school reminded me that she can only have one person in the car with her besides family. Guess that leaves us out since I have to be @ work early early. Thanks for responding, Barb

I have another student that rides, her parents are not able to help in the drive. I am thinking that perhaps, one of us could take up and the other could pick up. It is going to be more fair for you to probably take up since I can, in the mornings, go and pick up the other younglady and meet you maybe at the fire station on Green Oaks with both the girls and you can take them up. In the evenings, I can pick up all the students, drop your children off (at the fire station or home), drop the other carpoolee off home and pick up my other students in another carpool who are attending Paschal and get off at the transfer station on Oakland at 5pm.

Traci,
I am so sorry I havent gotten back to you. Long day in the salt mines. My older daughter reminded me that she can only

have one person riding w her that is not family due to the newer driving rules. That pretty much leaves us out. I was so hopeful!

Thanks for taking the time to talk to me and answer my post
